

II. Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A method for deodorizing an ~~odoriferous~~ aqueous system containing an odoriferous compound, consisting essentially of adding to said aqueous system an amount, sufficient to chemically react with said odoriferous compound ~~deodorize said aqueous system~~ of a halogenated isothiazoline organic halogen donor, wherein said halogenated isothiazoline is selected from the group consisting of 5-chloro-2-methyl-4-isothiazolin-3-one, 5-bromo-2-methyl-4-isothiazolin-3-one and mixtures thereof.
- 2-5. (canceled)
6. (original) The method of claim 1, wherein said organic halogen donor is added to said aqueous system in an amount of from about 1 to about 1,000 parts per million.
7. (original) The method of claim 1, wherein said organic halogen donor is added to said aqueous system in an amount of from about 1 to about 500 parts per million.
- 8-12. (canceled)
13. (currently amended) A method of deodorizing an aqueous solution containing an odoriferous compound, consisting essentially of adding to said aqueous solution a halogenated isothiazoline organic halogen donor in an amount sufficient to chemically react with said odoriferous compound ~~deodorize said aqueous solution~~, wherein said halogenated isothiazoline is selected from the group consisting of 5-chloro-2-methyl-4-isothiazolin-3-one, 5-bromo-2-methyl-4-isothiazolin-3-one and mixtures thereof.
- 14-17. (canceled)

18. (original) The method of claim 13, wherein said organic halogen donor is added to said aqueous solution in an amount of from about 1 to about 1,000 parts per million.

19. (original) The method of claim 13, wherein said organic halogen donor is added to said aqueous solution in an amount of from about 1 to about 500 parts per million.
